*The church building is accessible* with ample parking designated in both the upper and lower lots. Two doors for easier entrance for both upper and lower floors are located on the left side of the building (follow the signs as the doors are not immediately visible).

The welcome center, sanctuary, nursery, church offices, and accessible restrooms are on the ground level facing Center Church Road. An elevator connects the two floors. Our dining room, children's educational space, youth activities and week day school are on the lower level.

We have a wheelchair and a walker available for use at the church. Call ahead and we will bring them to your car, and park your car if you ask. Volunteers will pick you up if requested.

Service animals accompanying their owners are welcome.

On Sunday mornings, our greeters and ushers will gladly assist you. Wheelchair spaces available in the sanctuary.

Our Holy Communion is open to all and gluten-free Eucharist is available. Large print Bibles and bulletins are available at the back of the sanctuary.

*Trinity United Methodist Church* strives to make our church welcoming and comfortable to everyone. If you encounter barriers, or have suggestions, please let us know.
